

Wayside Park Basketball Hoops Fund

About this Fund

The Wayside Park Basketball Hoops Fund has been established with the Winneshiek County Community Foundation, an affiliate of the Community Foundation of Northeast Iowa, to support the replacement of existing basketball hoops in Decorah's Wayside Park. This initiative aims to enhance playability and accessibility for individuals of all ages in one of the city's key recreational areas.

Driven by Decorah Parks and Recreation, this project will improve the park's ability to host structured and unstructured recreational activities, fostering a more inclusive and engaging space for community members. The upgraded hoops are designed to attract increased participation, creating opportunities for basketball enthusiasts of all ages to enjoy improved facilities while strengthening community connections.

Wayside Park is a central hub for recreation in Decorah, and this project reflects the city's commitment to improving spaces where residents and

visitors can come together to play, exercise, and enjoy outdoor activities. The new hoops will ensure that the park continues to serve as a vibrant gathering place, supporting both individual and group activities and promoting physical wellness.
