

Carlson Park Trail Development Fund

About the Carlson Park Trail Development

In 2019, the Dave and Rick Carlson families donated 110 acres of land to the City of Decorah to create Carlson Park. A formal planning process was completed in 2021 with the JL Bruce Company, the City of Decorah, and much public input. Now it is time to fund trails and related amenities as part of that plan.

The Carlson Park Trail Development Fund has been established with the Winneshiek County Community Foundation, an affiliate of the Community Foundation of Northeast Iowa, to help fund and create bike-optimized trails and amenities for all abilities within the park, and in partnership with the Decorah Park and Recreation Department and the City of Decorah.

Preliminary projects include completing professional planning and construction of the NW Feature Trail, which will allow pedestrian and bicycle traffic into the park, as well as novice and intermediate trail systems. These trails may also lay the groundwork for an approved Scholastic (High School) Mountain Biking Course, as well as additional hiking, running, and snow sports trail systems.

Thank you for helping us foster this incredible gift for generations to come.
